URS CORPORATION – NY
Contract No. C015548
REPUBLIC AIRPORT
RUNWAY 1-19 RUNWAY SAFETY AREA (RSA) IMPROVEMENTS

DATE: May 12, 2016

ADDENDUM NO. 4 TO:

CONTRACT NO. C015548-S13-FRGRSA

COUNTY: SUFFOLK

IN THE LETTING OF
May 16, 2016

NOTICE TO PROSPECTIVE BIDDERS

The following Addendum is hereby made part of the Bid Documents for the "Runway 1-19 Runway Safety Area (RSA) Improvements". Any revisions (additions, deletions, clarifications) provided in this Addendum shall supersede all related information contained in the Bid Documents issued on April 15, 2016, Addendum #1 issued on April 22, 2016, Addendum #2 issued on April 29, 2016, and Addendum #3 issued on May 4, 2016.

Instructions to Bidders:

1. Contractor shall be advised that the new Runway 1-19 LED PAPI and REIL units shall be connected by new power and control cables originating from the existing airfield vault. Contractor shall furnish and install new power and control wires utilizing new/existing conduit/duct.

    - The quantity for L-110-5.1-4, 4-WAY, 4" PVC CONDUIT, SCHEDULE 40, CONCRETE-ENCASED shall be increased to 1,370 LF.
    - The cost for new wiring shall be paid for under Item L-125-5.3-1, NEW L-849(L) RUNWAY END IDENTIFIER LIGHTS (REILS) ON NEW BASE and L-125-5.3-2, NEW L-880(L) PRECISION APPROACH PATH INDICATOR LIGHTS (PAPIs) ON NEW BASE.

    It shall be the Contractor's responsibility to identify and document this new installation, as directed and approved by the Engineer. Immediately after notice to proceed, the Contractor shall identify areas shown on the plans where power and control cables can be installed within continuous existing/new underground electrical conduit/duct to the airfield lighting vault.

    Contractor work efforts shall include the following:

    a) Perform survey of existing manholes, hand holes, and other underground structures. Identify all cables in underground structures. Identify all cables not shown on

the plans that extend into the existing duct system or extend underground through the construction area;

b) The Contractor shall access the contents of underground structures and make a recommendation which cables need to be removed and/or reinstalled to the Engineer;

All work described above as well as incidentals will be included under Item 634.97030011 and shall be directed by the Engineer. Any work performed as result of this investigation will be paid for under their respective items.

2. Bid Form: To be replaced in its entirety with the attached Bid Form. Please note that the revised Bid Form, supersedes the Estimate of Quantities, Drawings QUAN-01-A3 and QUAN-02-A3.

3. Item 203.07 shall be removed in its entirety; payment for this material shall be included in Contractor's bid price for D-701-5.2

4. Item 206.0201 shall be removed in its entirety; payment for this material shall be included in Contractor's bid price for D-701-5.2

Supplemental Information Available to Bidders:

The following project specific information and engineering data is hereby made available as Supplemental Information Available to Bidders:

- Questions & Answers

Drawings and Specifications

1. Drawings EL-312A3 thru EL-314A3: Guidance sign table. Signs 33, 61 and 80 within the guidance sign table shall be revised to Action Note 3. These signs are distance remaining signs which will require a new sign and base in coordination with the runway shift. These items shall be paid under Item L-123-5.2-4.

2. Drawing CD-101-A2: Contractor shall be advised all pipe installation per RCP Trench Detail shall be paid for under Item D-701 and will be made at the contract unit price per linear foot for each type, class, and size of pipe designated; at the contract unit price per linear foot COMPLETE (including select granular fill and trench and culvert excavation). The bid price shall be full compensation for furnishing all materials and for all preparation, excavation, and installation of these materials, and for all labor, equipment, tools, and incidentals necessary to complete the item.

3. Drawings CL-405-A2 and CL-406-A2: Item 203.07 in Note 2, shall be revised to read Item 203.20. The quantity for Item 203.20 as indicated in the Bid Form does not change.

URS CORPORATION – NY
Contract No. C015548
REPUBLIC AIRPORT
RUNWAY 1-19 RUNWAY SAFETY AREA (RSA) IMPROVEMENTS

4. Drawing CD-100-A3: Replace Leaching Basin detail with the attached revised detail.

5. Specification for Item 701, Pipe for Storm Drains and Culverts: Basis of Payment shall be revised to read: Payment will be made at the contract unit price per linear foot for each type, class, and size of pipe designated; at the contract unit price per linear foot COMPLETE (including select granular fill). These prices shall be full compensation for furnishing all materials and for all preparation, excavation, and installation of these materials, and for all labor, equipment, tools, and incidentals necessary to complete the item.

BID FORM

a) PROJECT IDENTIFICATION:

REPUBLIC AIRPORT RUNWAY 1-19 RUNWAY SAFETY AREA (RSA) IMPROVEMENTS
Republic Airport
Contract No. C015548-S13-FRGRSA

b) THIS PROPOSAL IS SUBMITTED TO:

Andrea R. Luft, Project Manager
URS Corporation – New York
Republic Airport
7150 Republic Airport Room 216
East Farmingdale, New York 11735

c) TIME OF COMPLETION:

One hundred eighty (180) Consecutive Calendar Days from Notice To Proceed for Final Completion.

The undersigned **BIDDER** proposes and agrees, if this BID is accepted, to enter into an Agreement with **OWNER** in the form included in the Contract Documents to complete all work as specified or indicated in the Contract Documents for the Contract Price indicated in this Bid within the Contract Time and in accordance with the Contract Documents.

BIDDER accepts all of the Terms and Conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid Security. This Bid will remain open Sixty (60) days after the day of Bid opening. BIDDER will sign the Agreement and submit the Security for Faithful Performance and other documents required by the Contract Documents within ten (10) days after the date of URS Corporation's Notice of Intent to Award.

In submitting this Bid, BIDDER represents, as more fully set forth in the Agreement, that:

(a) **BIDDER** has examined the site and locality where the work is to be performed, the legal requirements (federal, state and local laws, ordinances, rules and regulations) and the conditions affecting cost, progress or performance of the Work and has made such independent investigations as **BIDDER** deems necessary;

(b) This Bid is genuine and not made in the interest of or on behalf of any undisclosed person, form or corporation and is not submitted in conformity with any Agreement or rules of any group, association, organization or corporation; **BIDDER** has not directly or indirectly induced or solicited any other **BIDDER** to submit a false or sham bid; **BIDDER** has not solicited or induced any person, firm or a corporation to refrain from bidding; and **BIDDER** has not sought by collusion to obtain for himself any advantage over any other **BIDDER** or over **OWNER**;

(c) **BIDDER** has read, understands and fully accepts all the terms and conditions of the Contract Documents, and its Bid is made in strict and full accordance with them.

(d) **BIDDER** further understands and agrees that he is to furnish and provide for all the necessary material, machinery, implements, tools, labor, services, and other items of whatever nature, and to do and perform all the work necessary under the aforesaid conditions, to complete the project in

accordance with the Contract Documents and to accept in full compensation therefore the amount of the total cost as stated in the Bid.

(e) **BIDDER** further agrees that if at any time during the progress of work, **URS Corporation** adds, alters or omits portions of the work, **BIDDER** shall so perform such work and accept as compensation a price mutually agreed to prior to the start of the additional work.

(f) **BIDDER** acknowledges receipt of the following addenda: (If none, so state and affix signature).
