RE: Engine Maintenance Run-ups

The purpose of this memo is to notify all tenants of the Republic Airport Policy regarding engine run-ups for maintenance testing. Due to noise concerns expressed by some tenants and the surrounding community, engine run-ups should **not** be conducted between the hours of 11:00 p.m. and 7:00 a.m. Additionally, engine run-ups are restricted to the following locations:

1. The Compass Rose location.
2. The run-up area located at the intersection of Taxiway Foxtrot and Charlie.
3. The Taxiway Golf run-up area.
4. The Taxiway Delta run-up area.

Thank you for your cooperation in complying with this policy. If you should have any questions or concerns regarding this notification, please contact John Arancio, Assistant Airport Manager at 631-386-6107.
